

Wenatchee Convention Center Expansion – Weekly Construction Newsletter

Week of: 08/04/2025 – 08/08/2025

Safety:

- Construction teams will be seen in hard hats and high-visibility vests (PPE).
- Site security fencing is installed to protect and clearly define the construction area.
- Temporary wall modifications are underway. Clear separation between work zones and public spaces will be identified. Construction activity may be heard from inside the PAC and Convention Center.

Traffic and Pedestrian Flow:

- 1st Street between N Wenatchee Ave and N Columbia Street is closed.
- Additional truck traffic will be present along N Wenatchee Ave and N Columbia Ave.
- Parking stalls along N Wenatchee Ave will be closed for the remainder of the project to allow for site access during site civil work.

On-Site Activities

- **Exterior Elevations:** Curtain wall installation and the application of brick finishes are underway.
- **Expansion Joints:** Roof expansion joint installation is underway.
- **Elevator:** Installation is ongoing.
- **Level 1, Area A:** MEP trim out ongoing.
- **Level 2, Area A:** MEP is in progress. In the meeting rooms, MEP trim out and wood slat ceilings are underway.
- **Kitchen Expansion:** Framing and MEP rough-in is in progress.
- **South Hardscape:** Miscellaneous site work ongoing.

Closures and Access:

- A portion of the service lot at the Convention Center will be closed and fenced off for a construction laydown area.
- The northeast corner of the public parking lot east of the Convention Center will be fenced off for a construction laydown area.
- Parking stalls in the public lot north of the convention center will be temporarily closed for material transport. These areas will be marked with traffic cones and caution tape.
